Pop Performance Company

A note from Rachel:

I am the Director for the Pop Performance Company. I am interested in your dancer joining the Pop Performance Company so that they can be part of something truly special. This group will be made up of our level 1 dancers; all of which are going to learn about the fabulous world of dance and the arts while making life-long friends and having a great time.

Each dancer will train with me for one hour per week where they will learn some fun choreography and they will learn how to perform it in front of an audience. Each dancer will get several opportunities to perform. There will be a festive Christmas performance, one in-house performance, and one community performance.

I firmly believe that EVERY child belongs and that EVERY child can be a star on stage. Dance isn't just about teaching a child the steps, but it is also a life lesson teaching dedication, focus and responsibility while at the same time being FUN. I am so excited about this coming year and am really looking forward to working with your child. It's going to be a fabulous experience! Let us work together to make the 2009-2010 year a great year.
